

Dear Marty Lawhorn,

My name is Samuel David Brock. I was named Samuel because my mom prayed for me like Hannah prayed for her son Samuel. Hannah gave Samuel to the lord and he was a prophet, I would like to be a leader for God just like Samuel was. Being National Scout gives me that opportunity just like being Patrol Leader in Royal Rangers or going to a public high school.

I go to Byron Center High School and this year I will be running Cross Country and playing Golf. This summer I spent every Monday, Wednesday, and Thursday in the weight room and running from 7:00 to 10:00 A.M. Now that Bulldog Power is over I have running practice everyday at 7:30. I play golf twice a week with grandpa getting ready for high school golf. In school I get good grades and study hard. I'm involved in National Junior Honors Society which is a group of kids who get all above average grades and do service projects.

Doing things with my grandparents is very important to me. Family is one of the most important things in my life. Especially my grandparents, they camp at Hungry Horse Campground and I like to stay with them as much as I can. Grandpa and I are always building fires, fishing, hunting, and working with engines. We are very involved in old engines like Allis Chalmers, Case, or John Deere. My grandpa Fisher who passed away in 2011 was the first Cadet in the CRC

church to make it through the whole program. I believe grandpa was right there watching me during the competition. Grandpa was also relative to Daniel Boone, we go down to visit that part of the family in October.

I try to live my life off Acts 20:24, " but my life is worth nothing to me unless I use it for finishing the work assigned me by the Lord Jesus". I feel like God has told me to influence young men with the things I have gone through in my life. I want to make FCF what it used to be in Michigan. My goal is to help make this a huge part of lots of boys life. It's a great thing to be apart of and brings lots of experiences. FCF and Royal Rangers teaches how to be a man, but more importantly a man of God. Our world today needs a lot more good Godly men and I believe the two organizations can do that and bring those men to our world.

I hope my time as National Scout will be a chance to help make this happen. I would like to work in many boys lives and work for the Lord in anyways I can. Frontiersman Camping Fellowship is my favorite activity to participate in and I hope I can make it many other boys favorite also.

Sincerely,
Samuel Brock
