Spring Trace was at Gerald Vaughn's place, besides raining most the day, it went well. The devotion by Tom Vaughn and Greg Roy was very powerful, talking about getting all the trash out of your life that keeps you from having a closer walk with God. Conner Roy lead us in time of praise and worship.

Matt Cook headed up the Adventure, with five Young Bucks and one Old Timer.

We had three compete in the Scout competition, Mark Spoehr, Joe Beute (Throwingstar) and Jared Lindsay (Little Biscuit), Joe Beute (Throwingstar) became the new Scout and Jared Lindsay (Little Biscuit) became Assistant Scout.

Gerald Vaughn became the new Scribe and Sam Brock went Bucks skin so that his FCF name is Strong Bird. We need to have someone who would like to write the newsletter 3 times a year. Contact Ron Rabideau if you are interested in making the newsletter at 616-272-9873.

About the Adventure and Scout competition

Just so you are informed, this year we will need everyone to volunteer. We are having an Adventure at Spring Trace, National Rendezvous and Summer Adventure. Wow a lot of chances to get in. We need you to help with the events at these Adventures. The National FCF Rendezvous will be handled by the people that attend the event.

The thing you can do the most to help is to spread the word to all of those who are your Ranger friends about the chances that they have to join. Maybe even help them meet all of the requirements.

We are having a Scout election this year.

Go to **<https://michiganfcf.weebly.com/>** to get the applications.

Send your Frontiersmen or the Scout application by April 20 to:
