At the annual business meeting, Ron Rabideau (IndianJoe) was re-elected as President of FCF and Tom Vaughn (Sharp Arrow) was re-elected as Vice President of FCF.

Avalanche Camp

At Avalanche Camp, the FCF theme was a great hit. Our guest speaker was Simon Tanner aka (Rick Dostal) in which many boys came to ask Christ into their hearts, with a great attendance of over 400. I have had several tell me that they had a great time with the Frontier theme and the Frontier trail. Marshal Moore and Jordy Buck want to tell all that helped with this event, thank you, but remember that this event will be at Summer Adventure, too. Marshal would like anyone who can and will help to contact him so he knows who can help out. Reports are that all of the events were a big hit and we say, thank you to everyone who volunteered. Even those who took the chance to do some ice fishing and caught some fish had fun.

About the Adventure and Scout competition

Just so you are informed, this year we will need everyone to volunteer. We are having an Adventure at Spring Trace, National Rendezvous and Summer Adventure. Wow a lot of chances to get in. We need you to help with the events at these Adventures. The National FCF Rendezvous will be handled by the people that attend the event.

The thing you can do the most to help is to spread the word to all of those who are your Ranger friends about the chances that they have to join. Maybe even help them meet all of the requirements.

We are having a Scout election this year.

Go to **<https://michiganfcf.weebly.com/>** to get the applications.

Send your Frontiersmen or the Scout application by April 20 to:
