Tip 9: Missions Mania – create a family evening at the church with games and activities pertaining to missions. Here are some game and activity ideas!

Trivia Station: host a trivia station where winners receive a \$5 gift card-this could be treated like a tournament to see who can be the winner among everyone

Darts Around the World: this is a darts game using a map and bulletin board. Have contestants draw names of various countries from a jar or hat and see if they can hit their selected country

Dessert Bar: Gather desserts from other countries prepared by missionaries or church goers
