MICHIGAN F.C.F. HENRY ROWE SCHOOLCRAFT CHAPTER

*Editor Indian Joe
(Ron Rabideau)*

FCF setup a village at Summer Adventure Camp where boys were invited to tour. Marshall was responsible for setting up the Voyager Trail that everyone had a chance to compete in. It was a huge success.

At the Fall Trace there was a Wilderness Vigil. FCF had three candidates; Daniel Dennis, Jordy Buck, and Joe Beute. All three of our candidates passed and were welcomed into Wilderness level.

At the election of FCF Scout there three competing ; James Brock, Gavin Vaughn, Daniel Whitters. Daniel Whitters was elected Scout and Gavin Vaughn Assistant Scout. This was short lived for Daniel since a month later he was elected Territorial Scout. Therefore Gavin Vaughn is now FCF Chapter Scout and James Brock Assistant Scout.

Wind Walker (Gerald Vaughn) built a clever little structure, a type of canopy, to cook under. It looked and worked great to cook our FCF community meals.

October 16-20 FCF had a joint Territorial Rendezvous with the Riflemen at a park in Limestone, Tennessee. It was the birthplace of DavidCrocket featuring the old homestead complete with livestock and split rail fencing. Attendance was about 282 men and boys; seven from the Henry Rowe Schoolcraft Chapter. The days were sunny and pleasant but the nights were cold which made Teaspoon's (Jim Russ) trade blanket quite popular. He sold out of his tucks.

The mission auction was exciting. Every FCF member was suppose to donate something made to represent his craft. White Hart's (Wayne Chapman) FCF box sold for \$200. Praise the Lord. God is so good.

The morning devotions and night time services were excellent. One chapter had to leave early and it started to rain just as we started to load up the trailer for the 16 hour return trip. The mountains were beautiful although it rained half of the trip home.

The FCF staff presented some changes in the Bylaws at Trace to reflect the new Royal Ranger program. We will vote on them at the business meeting,

- You don't have to be in a AG church to get into FCF
- Change the requirements for men to get into FCF: Training camps are no longer needed to get into FCF

January 31– February 1 FCF Annual Business Meeting

February 21-23 Avalanche Adventure Camp

March 5-7 Royal Ranger National Council (Lead Conference)

May 15-17 FCF Spring Trace

July 20 –24 National Camporama Eagle Rock, MO
